- This constant contact means that new students have a person in the school with whom they have contact each day and to whom they can talk if there is any problem with which they need help.

-
- A green circular badge with a yellow smiling star in the center. The star has a wide, happy grin. Below the star, the words "GOOD BEHAVIOUR" are written in a white, playful, hand-drawn font. The background of the badge is green with small white and yellow stars scattered around.

THE MEITHEAL MENTOR SCHEME

- We have a student mentoring programme in Presentation Wexford where three students from sixth year meet with new first year students in small groups, at lunchtime, once a week for the first months of the year.
- It is an excellent opportunity for first year students to get to know some of the older students and to ask for their advice on issues.
- The small group structure of the meetings allows students to get to know other first years in a structured environment.

LOCKERS

- Each student will receive a locker in the school. Lockers will be allocated at the start of the academic year. We recommend that students leave any valuables they have in the locker.
- You will be aware, from the Behaviour Code, that mobile phones must be switched off on arrival at school.
- Students should also use the lockers as much as possible for their books as this cuts down on the considerable weight of the bags.
- Students should get into the habit of going to lockers at break times to gather the books for the classes in the next session as students are not allowed to go to lockers between classes.

CODE OF BEHAVIOUR

- *Good discipline in the school is required to create an atmosphere where each student feels secure and is taught to accept responsibility for her actions.*
- *In co-operation with parents the school is committed to working to build a sense of pride in the school and to foster respect for the whole school community.*
- *Expectation + Sanctions = CODE*
- *Code is signed by student and parent(s)*
- *Detention – Lunchtime/ Evening Time*
- *In School and Out of School Suspensions*

BEHAVIOUR

- School is a community and all must act together to make it work successfully.
- To further this all members of the school community should be treated with courtesy and respect.
- Smoking is not permitted on the school premises or at any time while in school uniform. Any pupil under the influence of or in possession of alcohol or drugs will merit immediate suspension.

- Persistent offences may be punished by detention.
- Other offences may be dealt with by the tutor and dean.

The Experience of First Years

1. What has been the hardest thing about the change from Primary to Secondary School?

“Leaving my old friends and going from a small school to a bigger school”

“LoNgEr DaYs”

“The weight of the school bag”

“The homework, the new school, the new friends (and the people you don't really click with) and the lockers.”

“the hardest thing was the first day I was so nervous but after and hour I felt so comfortable there hasn't been anything to hard :) I love this school”

“the tests are a lot harder and more frequent”

“The teachers expect too much from you :(We're only in first year and we get well too much homework :(“

The Experience of First Years

2. What has been the best experience for you so far in the school?

“The best experience is meeting new friends and the Meitheal group is nice too and gets the class closer.”

“I really liked induction days and my iPad”

Meitheal:

means 'a collective effort for the greater good of the community'.

“Making my new best friends, trying out all the different subjects we never had in primary school e.g. business, art and home economics”

“Meeting new friends and people,, basketball, the online safety talk, camogie blitz, the choir, basketball”

“Just being in the school and being accepted here”

“I have enjoyed every minute and I hope it stays that way!”

Fears and worries will decrease with time

- “I worried I won’t have any friends in my class.”
- “I worried my old friends will act differently.”
- “I worried because everybody else will be bigger.”
- “I worried I will be crushed.”
- “I worried about being organised.”
- “I worried about being late for class.”
- “I worried about not knowing where to go.”
- “I worried about teachers being too strict.”
