

Welcome All,

In this section of the website, I will keep you updated on recent developments here in the school. Where has the year gone since September? As we enter the final term post Easter, our focus here in the school is on supporting our 6th and 3rd year students who are preparing for the State Examinations, building on the learning experiences so far this year, preparing for end of year awards ceremonies, graduations and celebrations of achievement. The 3rd & 6th Years have been busy with orals, practical's, course work to name a but a few. We wish them continued success and remember to remain calm and focused. In the next few weeks courses are completed, revision undertaken and sample exam questions answered.

It is important that all students are completely focused on their school work in so far as possible. We, as a school strongly feel that attendance is so important between now and the exams, to try and prevent disruption, we ask that appointments during school time are kept to a minimum, to ensure continuity.

Meanwhile, 1st, 2nd & 5th years are busy preparing for their House Exams at the end of the May, and our Transition Years look forward to their graduation at the end of this month.

Please see below for letters to Parents/Guardians regarding the State Exams and last few weeks.

Congratulations to all of the students who continue to represent Presentation Secondary Wexford in so many sporting activities, debating, competitions in the last few weeks and since the start of the year
