Update on the schools Camogie trip to New York and Boston

Consistent levels of contact are being maintained with both the HSE and the department of foreign affairs on a daily basis, along with the relevant bodies through which all aspects of the trip were booked.

Here at Presentation Secondary School Wexford, the health, safety and well-being of all our students, staff and their families will always be at the forefront of our decision making processes.

With that being said, we will continue to keep all parties involved updated and informed as events transpire over the next couple of days. More information in relation to flights, hotels and the New York/Boston trip as a whole, will be released to parents this coming Monday the 16th of March.

Kind Regards,
