

PRESENTATION SECONDARY SCHOOL

Educating the Students of Wexford Since 1818

"Our Best Always"

Tuesday 20th October 2020

Dear Parents/Guardians & Students,

I have been informed by Public Health/HSE of a positive case of Covid-19 in a member of the school community. A detailed examination of the case identified no close or casual contacts within the school setting. School can therefore proceed as scheduled.

I wish the person involved every best wish and a speedy recovery.
Please be assured that I shall keep you fully updated on any advice given by Public Health/HSE.

After mid-term a number of changes will occur following the break, these are:

- **Meetings with parents**
For the foreseeable, all meetings with Parents/Guardians will be held over the phone or online.
- **Uniform**
Following Mid-term Break Full PE uniform will be worn only on the days you have PE, there will be no changing facilities available.
Full school uniform will be worn on all other days. .
- **After school**
Waiting Space - for students who are waiting on buses on the following days **Wed – Fri** 3.00pm – 4.00pm only– this will be supervised and students will do work. This is not a substitute for Evening Study.

Please see link for information regarding a number of changes made in the Key Messages booklet for Students after Mid Term

<https://www.preswex.ie/wp-content/uploads/2020/10/Key-Messages-Student.Parent-Booklet.pdf>

Please see link for information regarding lockers

<https://www.preswex.ie/wp-content/uploads/2020/10/Lockers-2020-1.pdf>

As always, we ask that Parents/ Guardians please reiterate the requirement to wear mask as students enter and exit school, as was restated by the HSE when investigating this specific case. Students need to wear their masks in class but is of equal importance to wear them when mingling with other students before or after school.

Kind regards,

Principal.
