

3rd YEAR STUDENTS 2021/2022

June 2021

Dear Parent/Guardians,

As we reach the end of another academic year I want to take this opportunity to thank you for your support throughout the year. What a year it has been, however despite Covid 19 it has been another great year for us here in Presentation with lots of achievements and celebrations and great credit is due to the students and their teachers.

It has been a very busy school year! It has been a year like no other, with in-school learning then online Learning & then back to in-school learning. As a school community, we have learned so much and shared experiences that will long remain with us in the years to come. This community and wholehearted passion help to make our school a wonderful place of learning for all of our students.

As the school year 2020/2021 ends, we as a school look back with great pride at the collaborative efforts of our students, staff, parents and local community to provide a holistic education here at Presentation Secondary School Wexford. I wish to thank all of you most sincerely for your dedication, positivity, diligence, hard work and generosity which make our school such a wonderful place to be each day. It is great to see that our students continue to maintain extremely high academic standards while at the same time actively participating in various extra-curricular activities. This balance is so important in everyone's life. Thank you all for supporting us through what has been a difficult time not just for the school community but the entire community. Hopefully, 2021/2022 will bring some semblance of normal school life.
