Sports... positive behaviour badge winners... meet our new Parents Council.... A welcome to all new students... former students continue to excel and much—much more! **Enjoy.**

The Rossiter wing was opened to all our students in September and is a fitting tribute to our former caretaker Mr. Eamon Rossiter who was a much loved member of staff in his time in the Presentation.

After years of planning and applications the new wing was handed over to the school which includes two large classrooms, toilet facilities, a science laboratory and a science preparation area.

Special credit must go to the Board of Management who provided additional funds for an extra classroom.

Principal's Address

Dear Parents & Students,

A very warm welcome to all our 150 first year students who begin their educational journey with us here in Presentation Secondary School, Wexford. We also welcome many new transfer students who have joined us here in the school. We all hope that you have many happy years here with us all.

Well, done to the Leaving Cert Class of 2021 on their excellent results in their recent state exams. I would like to wish them every best wish as they go the many different pathways that they have chosen.

Well, done to our students and teachers who have worked extremely hard since their return to school.

3rd & 6th years are beginning to see the focus & commitment needed for the year ahead. Supporting those who need help & support is also being worked on. Extra-curricular activities are well underway thank you to all staff involved & to those students who take part.

I ask you all, Parents/Guardians/ Students to work with us to encourage everyone to follow all guidelines set out by NPHET not only in school but outside school as well. We all have a responsibility to follow all HSE advice, protocols and exercise caution, calm and consistent messaging. We have a duty of care to all in our school and those outside of our school.

Everyone has responsibility together; we are all in this together and need your support to encourage all our students to follow the guidelines.

I hope this newsletter gives you a flavour of what has been happening here since the start of the school year.

LCVP students visit Tayto park

5th & 6th Year LCVP Classes went on a visit to Tayto Park on the 24th of September with their teachers Mr Rowe and Ms Curran.

A thoroughly enjoyable and informative day was had by everyone. Both classes attended a talk on the history and background of Tayto Crisps and learned all about the creation of Mr Tayto and marketing techniques they use, we also found out about the factory itself and how crisps are made. Following the presentation everyone enjoyed exploring the theme park with most students (and teachers) getting their first experience of the Cu Chulainn!!

“Friday Prayers” have started in the Prayer Room this term, going from 8.38-8.43 (approx.!) on Friday mornings. A brief get-together to be quiet for a moment, consider a line or two from Scripture, and pray for school and community needs.

Meitheal leaders

This year's Meitheal leaders have been extremely active in helping our new 1st year students settle into school. Each of the six 1st year classes have a team of six Meitheal leaders to look after them and ease their transition into secondary school. The Meitheal leaders meet with their class on a daily basis at breaking lunch time and have also taken their group for two individual sessions to get to know them and do team building exercises.

Recently the Meitheal leaders were busy planning and organising a Halloween party for the 1st years. This spooky event took place on Friday 22 October, where students enjoyed pizza, sweets & treats followed by a 'scary movie'.

Well done and thank you to all our wonderful Meitheal leaders.

Members of the Parents Council meet in person with the schools Parent/link Co-ordinator Ms. Vera Whelan.

Equestrian update

After an 18 month absence, equestrian inter schools returned on Sunday 17th in Barnadown Gorey. We made the journey with 4 teams comprising of 15 riders. We had 7 students moving up to Open level for the first time, our Navy team of Mia, Maggie and Eva and our White team of Emily, Michaela, Isabelle and Katie. All showed they were more than capable of jumping the bigger tracks putting on a great display of showjumping with lots of clear rounds.

We also had two novice teams representing the school, our red team of Hazel, Niamh, Rhona and Kate were all making their debuts for our school and our green team of Elise, Alisha, Katelyn and Eva. The novice course was very tricky and clear rounds proved extremely difficult on the day, but all riders showed great skill and learnt a lot from their rounds.

With even more students unable to travel to Barnadown, our club is expanding rapidly! We now have two competitions to look forward to during our midterm break to see the talent, dedication and hard work of our students paying off in the ring.

Positive behaviour badge winners

In the Presentation school we believe students should be rewarded and acknowledged for a variety of acts of positive behaviour. Pictured above are badge winners for reaching the first milestone of points. In the next addition of the newsletter you can see the end of term winner per year group with their Cheeky Monkey awards! Well done girls... keep it up! (Missing from senior picture: Fiona Cousins).
