

TY STUDENTS 2022/2023

June 2022

Dear Parents/Guardians,

As we reach the end of another academic year I want to take this opportunity to thank you for your support throughout the year. It has been another great year for us here in Presentation with lots of achievements and celebrations and great credit is due to the girls and their teachers.

It has been a very busy school year! As a school community, we have learned so much and shared experiences that will long remain with us in the years to come. This community and wholehearted passion help to make our school a wonderful place of learning for all of our students.

As the school year 2022/2023 ends, we as a school look back with great pride at the collaborative efforts of our students, staff, parents and local community to provide a holistic education here at Presentation Secondary School Wexford. I wish to thank all of you most sincerely for your dedication, positivity, diligence, hard work and generosity which make our school such a wonderful place to be each day. It is great to see that our students continue to maintain extremely high academic standards while at the same time actively participating in various extra-curricular activities. This balance is so important in everyone's life.

Please note that Work Experience for all Transition Year Students will be each Wednesday for the upcoming Academic Year. Students are encouraged to complete a minimum of two different placements, to experience different work places.

Parents asked to pay the following monies on the online payment system before Friday 12th August. Any monies not paid collected in school on Tuesday morning, 30th August 2022.

In the interest of clarity and efficiency, the VSWare on-line payment system is the preferred method of payment. All payments made on-line are visible to the parent at any time which provides a better record of payments made. There are no bank charges and most of the fees paid by this method are at a reduced rate. You will find instructions for using the VSWare on-line payment system on our website under the "Information for Parents" tab.

TY Payments

The fee for Transition Year for 2022/2023 is €560, which includes TY Portfolio folder, Workshops, Trips and Activities. The fee also includes the four-day/three night Activity Trip, traditionally to Carlingford, Co. Louth.

As you can appreciate, the running of the TY Programme is a huge financial investment on behalf of the school and assisted by parental TY Fees. However due to the cost of Workshops and Trips away it is essential that fees are paid. If a financial issue exists regarding TY Fees and provision of a payment plan would help, please contact the school. Non-payment of fees may result in non-attendance on TY Trips such as the Carlingford Activity Trip.

The cost of Personal Accident 24 hour Insurance Cover will be covered by the school for this academic year.
