

PRESENTATION SECONDARY SCHOOL

Educating the Students of Wexford since 1818

"Our Best Always"

29th September 2023

Dear Parent/ Guardian,

I am writing to inform you that under the Department of Education guidelines, your child will be receiving lessons in Relationships & Sexuality this year. This subject is being taught in an age appropriate way and aims to build on previous RSE programmes taught during SPHE at Junior Cycle.

RSE in the school setting seeks to promote the overall development of the person and provide formal opportunities for students to evaluate the information, opinions, attitudes and values which they receive and establish behaviours within a moral framework.

The programme is designed :

- To educate on healthy/unhealthy relationships
- To promote an understanding of sexuality
- To promote knowledge of human reproduction
- To provide information on fertility, contraception and STIs
- To educate on consent

To further enhance the effectiveness of this module, we would encourage you to discuss the issues that arise from these topics with your daughter at home. This year the course is being delivered by Vera Whelan, Bridget Ryan and Anita Conway.

Yours sincerely,

William Ryan

Principal
