June 2025

Dear Parents/Guardians,

As we reach the end of another academic year, I want to take this opportunity to thank you for your support throughout the year. It has been another great year for us here in Presentation with lots of achievements and celebrations and great credit is due to the girls and their teachers.

It has been a very busy school year! As a school community, we have learned so much and shared experiences that will long remain with us in the years to come. This community and wholehearted passion help to make our school a wonderful place of learning for all of our students.

As the school year ends, we as a school look back with great pride at the collaborative efforts of our students, staff, parents and local community to provide a holistic education here at Presentation Secondary School Wexford. I wish to thank all of you most sincerely for your dedication, positivity, diligence, hard work and generosity which make our school such a wonderful place to be each day. It is great to see that our students continue to maintain extremely high academic standards while at the same time actively participating in various extra-curricular activities. This balance is so important in everyone's life.

On the first morning, each year group will have a Registration Assembly at which the following monies will be collected (if not already paid online). Receipts will be issued for all monies collected on the day - so please remember to ask your daughter for same.

Parents are asked to pay the following monies on the online payment system before **Monday 18th August**. **Any monies not paid collected in school on Friday 5th September**.

In the interest of clarity and efficiency, the VSWare on-line payment system is the preferred method of payment. All payments made on-line are visible to the parent at any time which provides a better record of payments made. There are no bank charges and most of the fees paid by this method are at a reduced rate. You will find instructions for using the VSWare on-line payment system on our website under the "Information for Parents" tab.

All reports accessed through VSWare and the recent summer reports are now live on VSWare.

These fees are important in supporting our curricular, co-curricular, and extra-curricular activities, which are of immense benefit to the entire school community.

These activities not only enhance the academic experience but also contribute to the overall development of our students, fostering skills such as teamwork, leadership, and creativity.

Your timely payment of these fees ensures that we can continue to offer these valuable programs and maintain the high standards of education that we all cherish.
