Financial Information

June 2026,

Dear Parents/Guardians,

I hope this letter finds you well. As we continue to strive for excellence in providing a well-rounded education for our students, we would like to remind you of the importance of the administration and activities fee.

These fees are important in supporting our curricular, co-curricular, and extra-curricular activities, which are of immense benefit to the entire school community.

These activities not only enhance the academic experience but also contribute to the overall development of our students, fostering skills such as teamwork, leadership, and creativity.

Your timely payment of these fees ensures that we can continue to offer these valuable programs and maintain the high standards of education that we all cherish.

If you are experiencing any difficulties in making this payment, please do not hesitate to contact the school and speak with myself.

We are all here to assist you and ensure that every student can benefit from all that our school has to offer.

Thank you for your continued support and cooperation.

Yours sincerely,

Principal
